

# Group Consolidation Program for U.S. Dairy

## 2016-2017 Consolidation Schedule

Suppliers interested in consolidating their internationally-bound shipments and benefiting from a group rate should plan on scheduling their order deliveries around the below dates.

To kick start the Group Consolidation Program and regroup shipments to build volume, **consolidated shipments will leave the U.S. every 3rd Saturday of every month bound to key destinations.** Frequency and destinations of shipments will increase as utilization of this program grows.

*Together, we can make our industry competitive*

To join any of the consolidations, suppliers would need to have their products **delivered to Hellmann by the below dates.**
